In this day and age, learning English has importance to play around the world. It is undeniable fact that new area imposes various new tasks and responsibilities on teachers of present time. Thanks to entering modern technologies, the demands have

increased to learning English. Therefore, Islam Abduganiyevich Karimov, first president of Uzbekistan adopted the decision which is called “On measures to further improve the system of learning foreign languages “ on December 10, in 2012.

Furthermore, learning a new language can be an enjoyable experience at any age. People learn new languages for many different reasons, such as travel or work, and the benefits can be incredibly worthwhile, whatever the reason. English language can offer many opportunities for people who want to study more and gain success on their future career path. When individuals study a foreign language, they can increase their cultural knowledge. It is clear that learning second language aid to enhance brain functionally. Researches show that people who can speak more than one language have improved memory, problem- solving and critical- thinking skills, enhanced concentration, ability to multitask and better listening skills. In addition, with the help of government’s decisions which are related to Learning new languages, people can easily take advantages for themselves not only in education system, but also in tourism industry and business connections. Learning English gives chances to study in Western countries, later they return their country and they have many ideas which help to develop education system and relationship between two nations. Besides, now there are many studying English educational center in Uzbekistan. They contribute to develop learning new languages.

The new decision was received by the President of the Republic of Uzbekistan on May 6, 2021 which was related to improving the quality of learning foreign languages. On this basis, the issue of attitudes to foreign language teaching is addressed in the Resolution of the President of the Republic Uzbekistan dated May 19, 2021 No PP- 5117 “ On measures to the bring the promotion of foreign languages in the Republic of Uzbekistan to qualitatively new level “ :... education in foreign languages it is no coincidence that the need to develop as a policy priority, radically improve the quality of education in this area, attract qualified teachers to the field and increase the population’s interest in learning foreign languages.(1)

What does mean IELTS and CEFR?

IELTS is International English Language Testing System and an English Language Proficiency test developed and run by the British Council in partnership with IDP education and Cambridge Assessment English. IELTS is highly regarded and widely recognized as the world’s most famous test system. It has been setting the standard for English – language testing for more than 30 years. In this test, you will be assessed on:

- Listening – to see how well you understand ideas, recognize opinions, and follow the argument of position.
- Reading- to see how well you read for general sense, main ideas, and details and how understand author’s opinion.
- Writing - to see how well and how accurately you write a response for topic, and how can you use different grammar, vocabulary.
- Speaking – to see how well you communicate opinions and information on every topics and justify your opinions.

CEFR is the Common European Framework of Reference. It is an international standard for describing language ability. It describes language ability on a six- point scale, from A1 for beginners, up to C2 for those who have mastered a language. This test system is easy to submit for teachers and students. It is somehow similar with IELTS examination. This test is also called “Multilevel test”. It has four parts, as IELTS examination. However, the assessing system is different from each other. This module provides an introduction to issues surrounding level and how to create assessment tasks at a particular level.

CEFR levels with Descriptions:

- English Basic User (A1, A2)
- A1 (Beginner)
- A2 (Elementary)
- English Independent User (B1,B2)
- B1 ( Intermediate English)

- B2 ( Upper – Intermediate English)  
Proficient English User (C1,C2)
- C1 (Advanced English)
- C2 ( Proficiency English)

Nowadays, If you pass these tests, you will be well- qualified. In addition, these tests give opportunities to work many Educational places, such as schools, universities. In other words, these tests are great ways of going abroad, and socializing with foreign people.
